

THE SIGNALS NETWORK

Holding Power to Account. One Whistleblower at a Time.

About TSN

TSN is dedicated to supporting and protecting whistleblowers who risk their livelihoods to share public interest information with the press. TSN operates internationally to hold powerful interests accountable.

TSN is a 501(c)3 organization founded in 2017 by journalists, whistleblowers and lawyers.

In the past year:

108 whistleblower requests received

41 whistleblowers supported with services globally

26 referrals from journalists and lawyers resulted in whistleblower support

\$100K provided directly through TSN Whistleblower Fund

We Support

- Industry and government whistleblowers
- Empowerment and protection of Big Tech whistleblowers
- Journalists working with anonymous and public sources
- Whistleblowers based in US, European, Middle East, South Asia and Africa

Unique Risks of Whistleblowing

 Virtual and physical safety risks

 Psychosocial trauma

 Legal jeopardy

 Difficulty finding long-term work

EMPOWERMENT

Empower workers, allies and whistleblowers with sector specific information on their rights and best practices for speaking out

INVESTIGATE

Work with journalists and collaborative media organizations to ensure security for anonymous and public sources.

PROTECT

Holistic, secure and individualized support to whistleblowers who are working with journalists, including legal, psychological, safe-housing, press, career, and other needs

CHANGE

Contribute to coalitions of agencies, activists and associations advocating for greater accountability in powerful industries and more protections for whistleblowers

THE SIGNALS NETWORK

EPIC Support to Whistleblowers

We provide individualized services to whistleblowers who help the public hold powerful companies and interests to account.
