

THE SIGNALS NETWORK

Holding Power to Account. One Whistleblower at a Time.

About TSN

TSN is dedicated to supporting and protecting whistleblowers who risk their livelihoods to share public information with the press and/or regulators.

TSN is a 501(c)3 organization founded in 2017 by journalists, whistleblowers and lawyers.

In 2024, we:

Received **151** requests for support

Supported **40** whistleblowers globally including legal, media, security and mental health support

3/4 of these whistleblowers came to TSN referred by journalists, lawyers, former whistleblowers and other partners

Provided direct financial support to **13** whistleblowers via our TSN Whistleblower Protection Fund

We Support

- Industry and government whistleblowers
- Empowerment and protection of Big Tech whistleblowers
- Journalists working with anonymous and public sources
- Whistleblowers based in the U.S., Europe, South Asia and Africa

Unique Risks of Whistleblowing

Virtual and physical safety risks

Psychosocial trauma

Legal jeopardy

Difficulty finding long-term work

EMPOWERMENT

Empower workers to hold power to account by educating them on their rights, the laws, and support systems before they decide whether to come forward

E

THE SIGNALS NETWORK

EPIC Support to Whistleblowers

We provide individualized services to whistleblowers who help the public hold powerful companies and interests to account.

I

P

PROTECT

Holistic, secure and individualized support to whistleblowers who disclosed information of public importance, including legal, psychological, safe-housing, press and career support

C

INVESTIGATE

Support investigations based on whistleblower revelations by working with journalists and advising whistleblowers on the legal risks associated with working with journalists.

CHANGE

Support and create initiatives to achieve change following whistleblower revelations, and advocate to strengthen legal and other protections for whistleblowers
